AHSCS RACE RELEASE

The undersigned (or their guardian) fully understands the hazards and dangers of racing and assumes full responsibility for bodily injury, property damage or DEATH even if due to the negligence of anyone involved. All riders and crew must abide by track rules and participate at their own risk. By signing this release I agree (or guardian agrees) to hold harmless and indemnify the promoter of this race and any volunteers or landowners. I also agree to become an AHSCS member for this race only if I am not currently a series member. A one day membership does not afford me any series points.
